

Digital Resources to Support Inclusive Teaching Practices

- We Are Teachers has outlined 9 Areas of Teaching to Evaluate for Diversity & Inclusion.
- Teaching Complete History from Learning for Justice looks at the importance and value of teaching history that paints a broader view.
- Teaching Black History in Culturally Responsive Ways from Edutopia explores ways to expand upon African American History Month to include other stories across content areas.
- Vanderbilt Center for Teaching provides some helpful strategies for Inclusive Teaching.

"There is plenty of history to uncover... students deserve to learn more accurate, balanced and humanizing accounts of Black experiences."
